INHALED CORTICOSTEROIDS

Beclomethasone 50, 100, 250
Becotide Evohaler

Beclomethasone 50, 100, 200, 250
Beclazone Easibreath with Optimiser

Beclomethasone 50, 100
QVAR MDI

Beclomethasone Autohaler 50,100
QVAR Autohaler

Budesonide 100, 200
Pulmicort MDI

Ciclesonide 80, 160,
Alvesco

Budesonide 200
Budesonide Novalizer

Budesonide 100, 200, 400
Pulmicort Turbohaler

Fluticasone 50, 125, 250
Flixotide Evohaler

Fluticasone 50, 100, 250, 500
Flixotide Diskus

COMBINATION INHALERS

Budesonide/formoterol, 100/6, 200/6, 400/12
Symbicort Turbohaler

Fluticasone/salmeterol 100/50, 250/50, 500/50
Seretide Diskus

Fluticasone/Salmeterol 50/25, 125/25, 250/25
Seretide Evohaler

SHORT ACTING BRONCHODILATORS

Salbutamol 100
Aerolin Autohaler

Salbutamol 100
Airomir MDI

Terbutaline 500,
Bricanyl Turbohaler

Salbutamol 100
Ventolin Evohaler

Ipratropium Bromide 20
Atrovent MDI

Salbutamol 100
Salamol Easibreath

Salbutamol 100
Novolizer Salbutamol

Salbutamol 200
Ventolin Diskus

LONG ACTING BRONCHODILATORS

Formoterol 6, 12
Oxis Turbohaler

Salmeterol 25
Serevent MDI
